CHIEF-ENGINEER GROVER, of the Memphis and Vicksburg road, in charge of construction from Memphis to Clarksdale, Miss., reports as follows: "The iron is down for 35 miles south of Memphis, and trains are running over that portion of the road. The road-bed, where it has had tize to settle and become firm, is described as being as good and substantial new work as there is to be found in the country, everything having been done with an eye to stability and durability. The bridging and trestling, which are only put in where embankments are utterly impracticable, are of the most substantial character, all the piling and framework being of carefully inspected timber. The character, all the piling and framework being of carefully inspected timber. FOR WHITE AND BLACK RIVERS.

MILT HARRY LINE—Memphis White & Black River U.S. Mail Packet.

For Indian Bay, St. Charles, Clarendon, Devails Bluf, Des Are, Augusta, Jacksonport, Searcy, Batesville, Powhatan and Pocahontas—The new and elegant passenger steamer. She was a success from the start, and her career has been a continued series of successes up to yesterday evening when she closed out her last trip in White river. It is a consolation to know that she has passed into the hands of clever people, and that she leaves us with a bright prospect ahead. May her owners realize handsome results from their purchase.
